50X1-HUM 5. East of the Chrdruf road there is a vehicle park The number of vehicles is not known. There were water carts, trucks, and cleaning and greasing platforms near the wood. There were also assault guns in the perk, including five SU 249's and one SU 76. 50X1-HUM 6. North of the junction of the Ohrdruf-Oberhof and Luisenthal-Welfis roads 50X1-HUM is a large parracks area Thirteen barracks are visible from the road, and more are under construction. The establishment is already part of the Ohrdruf maneuver complex. South of the Luisentahl-Wolfis road is another barracks area ("G" on sketch). Six barracks, dimensions 15 m. x 6 m., are situated near the road. This belongs to the Crawinkel district. 7.

The Crawing restricted area was quiet during late July. Few troops were on

the streets, and there was no activity on the artillery ranges.
